Every family should be provided with some reliable remedy for bowel complaints. The want of such an article is the cause of much suffering, especially during the summer months. In almost every neighborhood some one has died, with cramps or cholera morbus, before medicine could be procured or a physician summoned. A fair trial will satisfy you that Chamberlain's Colic, Cholera and Diarrhoea Remedy is unequalled for those diseases. It is also a certain cure for dysentery and diarrhoea. When reduced with water and sweetened, it is pleasant to take. Children like it. For sale by Rose & Jones.

### Indictments for All.

The Bourbon county grand jury last week indicted Charles C. Moore, of the Bluegrass Blade, on two counts, for publishing slanderous articles about the Paris Christian church, and W. S. Marshall, of Lexington, for printing the Blade with the articles in it. Craddock & Remington were indicted for publishing a communication in the Kentuckian-Citizen, which said that Moore had been in the asylum; William T. Ficklen, for furnishing Moore with pointers about the church members, and William Remington, of the Kentuckian-Citizen, for pulling Ficklen's whiskers for furnishing the pointers.

There is one remedy which every family should keep on hand. John Carpenter, of Woodland, Indiana, says of it: "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhea and severe cramps, with the best results. In the worst cases I never had to give more than the third dose to effect a cure. In most cases one dose will do. Besides its other good qualities, it is pleasant to take." 25 and 50 cent bottles for sale by Rose & Jones.

### A Unique Chimney-Piece.

A woman who is building a home on a bluff of the Mississippi river will have the big chimney piece in the hall constructed of stones from every state in the union. Each has been contributed by a friend, and, as in asking, the size has been designated about that of a medium cobblestone, symmetry is preserved. She already has one from Alaska, and also several washed by the waters of the gulf of Mexico. The house itself is built of stone, "but my cobblestone mantel," writes the woman, "will be the pride of the place."

Some of the Grand Army boys may be interested in the following from Alex B. Pope, A. D. C. Commander Dep't Tenn. and Ga. He says: "We have had an epidemic of whooping cough here, (Stewart, Tenn.,) and Chamberlain's Cough Remedy has been the only medicine that has done any good." There is no danger from whooping cough, when this medicine is freely given. It completely controls the disease. 50 cent bottles for sale by Rose & Jones.

### Shot in the Neck.

A shooting affray occurred on Wednesday of last week at Empire, a mining town in Christian county, between Scott Morton and Jake Speed, which resulted in Speed being shot in the neck by Morton, receiving a dangerous and, it is thought, fatal wound. The cause of the quarrel was an old family feud. Morton was arrested and placed in jail at Hopkinsville, but at his examining trial he gave bond for his appearance at the Circuit Court.

### A White Man Kills a Negro.

Quite a bloody affair occurred at Middleboro last week between negroes and white men over an oontz game. J. H. Blankenship, a white man, accused a negro named Bloom of cheating. The negro drew a razor and advanced upon Blankenship, who drew a pistol and fired. The negro fell dead. Blankenship then fled, but was pursued and captured by Officers Douglass and Jones and placed in jail.

For dyspepsia and stomach derangements, no other remedy can be found so pleasant, prompt and effective as Ayer's Cathartic Pills.

## The French-Eversole Cases.

In speaking of these cases, the Lancaster Sun says: "The probabilities are that the court will endeavor to dispose of the French-Eversole cases at this term, and if these cases are gone into, they will likely consume the entire term. It is to be hoped that these cases, which have taken up so much of the time of our courts for the past three years, will finally be disposed of at this term."

### Meander 1311.

Hon. I. V. Baker, Jr., Vice Pres't National Breeders Association and owner of Meander by Belmont, writes: "Quinn's Ointment I have used with great success for nearly twenty years and consider it has no equal." The very best in the country indorse this preparation. For sale by Rose & Jones.

### Disregarding the Constitution.

The Court of Claims of Montgomery, like that of several other counties, disregarded the constitutional limit and fixed the poll tax at \$3. The bonded debt of Montgomery county is \$173,000, of which \$10,000 is for a court house debt and \$163,000 for a railroad debt. But it has also \$50,000 in the treasury.

Megrimine, the only permanent cure for all forms of headache and neuralgia, relieves the pain in from 15 to 20 minutes. For sale on positive guarantee at THE HERALD office, or sent postpaid by mail on receipt of price, 50 cents a box.

### It Looks Like Gold.

There is considerable excitement reported from Pigeon Roost, a village in Trig county, over the discovery near there of a ledge of rock that is impregnated to a very remarkable degree with a metal resembling and believed to be gold. Specimens of the rock have been sent to the State Geologist for analysis.

### SIRE BY BANKER 4144.

Own brother to Lysander, sire of Lysander Boy 2:20 1/4, Watt 2:24 1/4, William Kearney 2:20 1/4 and Lysander Chief 1646.

First dam Pattie Patchen, trial 2:38 (grandam of Chesnut Wilks 2:39) by Mambrino Patchen, sire of the dam of Guy Wilks 2:15 1/4, Astral 2:18, Rosa Wilks 2:18 1/4, Elvira 2:18 1/4, Cleora 2:18 1/4, Hour 2:17 and twenty-nine others in the 2:30 list.

Second dam Mandy by Stanhope's Blood Hawk, sire of the dam of Almont 2:17 1/4 and Aley Wilks 2:20 1/4.

Third dam Pattie by Downing's Vermont, sire of the dam of Enigma 2:26; Mambrino Bruce 2:40 1/4, sire of Kit Curry 2:18 1/4; Bell Wilks 2:23; Gill's Vermont, sire of Bonner Boy 2:23, and sire of the dams of Abel 2:24 1/4, Col. Bradshaw 2:20 1/4, Nelly L. 2:23 1/4, Gambetta 2:26, The King 2:29 1/4, Outlaw 2:29 1/4, Pearl 2:30.

Fourth dam Jessie by Thomas Jefferson.

He is a beautiful black, with right hind ankle white, stands 15 1/2 hand high, and is a perfect horse all over, having both bone and substance, combined with the form and finish characteristic of the cross he so well represents, viz.: Hambletonian sire and Mambrino Patchen dam. This cross stands as the very best, because public performances have demonstrated its value. Of its many representatives not one is the superior of Bermuda, for not one has demonstrated the same ability to train on from year to year, beginning with the yearling form. None are better bred or better looking.

As a sire his success is assured, as out of eight, his first crop, two entered the list last year as two year olds, namely Bermuda Boy 2:29 (half-mile track) and Rosemary 2:25 1/4. Bermuda Boy being one of the largest winning two-year olds of 1891, his first colts being foaled in 1889. Judged at this age no stallion ever sired more uniform, natural-gaited colts, with speed unprecedented. He will stand for mares, season of 1892, at \$200 TO INSURE, the money to be paid as follows: \$100 at the time of service, and the other \$100 when the mare proves in foal, being limited to thirty outside mares. Parties wishing to breed to him had better book their mares early.

## WEST CLOUD 5195.

Out of the dam of Black Cloud 2:17 1/4, his sire out of the dam of Wilson 2:16 1/4. Bay horse, foaled March 31, 1884. Bred at Ashland Park.

### SIRE BY ABDALLAH WEST 2583.

(Sire of Wilks 2:27.)

First dam, the dam of Black Cloud 2:17 1/4, by Pilot Walker, pacer.

Second dam the Clink Pacing Mare.

NOTE.—Abdallah West 2583, by Allie West, first dam Miss Coons, dam of Wilks 2:16 1/4, by Clark Chief; second dam Ohio, by American Clay; third dam brought from Ohio and represented to be by Brown's Bellfounder. Abdallah West died at six years old. He was the most promising colt I ever bred.

West Cloud is a rich mahogany bay, 15 hands 2 inches, with black mane and tail, and black legs extending above knees and hocks. He is a powerfully built horse for his height, and has the most finished set of feet and legs it is possible to get on a horse of any breed. As a two-year-old he gave evidence of being possessed of remarkable speed, as with little handling he trotted a half-mile in 1:18 1/5 and miles in his work in 2:49 1/4. At three years old he was not trained, owing to a very severe attack of pink eye. He also did no work on the track as a four-year-old. As a five-year-old he was jogged and trained lightly, more for the purpose of ascertaining if he was entirely recovered than with a view of testing his speed. In a few months he trotted a full mile in 2:38 and half in 1:15. The season (1890) he served a few mares of my own, and was not put to work until September, and his improvement was most remarkable. He repeatedly trotted halves in 1:10, and I am fully convinced he will, with a season's training, trot in 2:20. I will let him serve twenty mares, season of 1892, outside of ten of my own, at \$50 INSURANCE. Money due when mare proves to be in foal.

Mares bred by the season not proving in foal have the usual privileges of return. I breed sound, highly-finished trotters, and have for sale high-bred colts and fillies, out of producing dams, by a greater number of prominent sires than any farm in the land. I wish to farm or breed on the shares twenty approved mares. For further information see the Catalogue, which can be had on application. Mares kept at regular rates.

First dam, Mamie West (dam of Canania, three-year-old record 2:35; Adeline 2:31 1/4; West Bank 2:37 (three years old, &c.) by Allie West 2:35, sire of Jewett 2:14 1/4; Charley Friel 2:16 1/4; Frank Champ 2:16 1/4; Charley West 2:27 1/4; Rachel B. 2:28 1/4; &c.; also sire dams of Mollie Wilks 2:22 1/4; Allie Wilks 2:22 1/4; Haven 2:26 1/4; West Wilks 2:28 1/4, &c.

Second dam, Madam Headley (dam of Miss Mabel, winner two-year-old Kentucky Breeders' Stake, 1881, and Rapi-dan, dam of Lockhart 2:14 1/4, by Stanhope's Edwin Forrest 3:51 (sire of Harry Stanhope 2:31), son of Edwin Forrest 49, sire of Billy Hoskins 2:26 1/4; Champagne 2:30, and the dams of So-so 2:17 1/4 (dam of All-So 2:20 1/4), Mambrino Dudley 2:19 1/4; London 2:20 1/4, &c.

Third dam Mrs. Stanhope by Mambrino Chief II, sire of Lady Thorn 2:18 1/4, Woodford Mambrino 2:21 1/4 and four others. His sons sired London 2:20 1/4, Panceast 2:21 1/4 (sire of Patron 2:14 1/4), and 20 others. His daughters produced Piedmont 2:17 1/4, Director 2:17 (sire of Direct 2:18 1/4, pacer 2:06; Margaret S. 2:12 1/4, &c.), and 21 others in the 30 list.

Fourth dam by Hunt's Commodore, sire of dams of Commodore Belmont (sire of Carrie Belle 2:23 1/4, Doncaster 2:28 1/4, Geranium 2:28 1/4, &c.) and Mambrunello (sire of Sadie Howe 2:26; Tom Britton 2:25, &c.).

Fifth dam by Copperbottom, grand sire of dam of Rosalind 2:21 1/4 and Donald 2:27.

NOTE.—Happy West is a rich mahogany bay, 16 hands 2 inches high, and a horse of elegant style, with as good action as any son Happy Medium ever sired, as at two years old he could trot in 2:40, and would have trotted in 2:30 at three years old had it not been for an accident on the ears, by which one of his hind legs was injured, causing him to have to be thrown out of training. In this horse I have the utmost confidence as a great sire, being by Happy Medium, one of the most noted of the sons of Hambletonian, and out of a daughter of the great Allie West; the second dam is the dam of Miss Mabel and Rapi-dan, who is her first colt, produced Lockhart with a record of 2:14 1/4. It is my intention to stand Happy West the season of 1892 at \$50 INSURANCE, thus affording an opportunity to farmers and breeders to secure the services of one of the greatest speed-producing representatives in the country at a nominal price, as he will be limited to 30 mares. Parties wishing to breed to him should apply early. No other son of the great Happy Medium out of as good a dam stands at such a low figure, but I am determined to let the public test his merits as a sire, believing in the near future he will be among the best in the country.

Mares bred by the season not proving in foal have the usual privileges of return. I breed sound, highly-finished trotters, and have for sale high-bred colts and fillies, out of producing dams, by a greater number of prominent sires than any farm in the land. For further information see the Catalogue, which can be had on application. Mares kept at regular rates.
